

Aerator EB480

3000
4100
4200

The Ventrac EB480 **Aerator** offers the exact tools to address your turf grass conditions. The tines are replaced either individually or by quickly changing the entire mounting heads. Each row of tines rotates individually of each other providing less stress to the aerator and soil. This gives the EB480 both versatility and longevity to best accommodate your needs.

Equipped with the Ventrac Minute Mount system the EB480 allows you maximum flexibility.

Core Tines	10 alternating rows of 5 and 6 tines
