Redmax

Auger Drill Specifications/Features

The Redmax line of superior augers and drills is exceptional in the outdoor power equipment industry. Powerful, dependable and easy-to-use, these units feature large fuel capacities, high-torque horsepower and lightweight, high-speed 2-stroke engines. The auger is ideal for any size job or application from digging and gardening projects to tree planting and pole and fence installations. The drill is exceptionally durable and ideal for simple construction needs, tree tapping or more rugged applications requiring the need for reversible gears. All augers and drills are backed by a full two-year commercial warranty.

Model	Engine Size	Engine Type	Horse-power	Dry Weight	Fuel Capacity	Reduction Ratio	Maximum Drill	Chuck Size	Available Auger Size	Warranty (*3)	
	CC								Inches (*2)	Cons.	Com.
