Specifications/Features

Additional features of the lightweight, powerful, **green and clean** Maxtreme include:

- A seven-point, splined, solid-steel drive shaft for exceptional strength and reliability
- An industry-leading, patented Strato-Charged engine for more horsepower, up to 20% more fuel efficiency and reduced emissions
- Perfect balance and reduced vibration enhance the MaxSpeed acceleration and deceleration while delivering more power to the attachments
- Attachments include a trimmer, pole saw, edger, long-reach hedge trimmer and power sweeper

Close view of coupler

The MaxQuick coupler makes attachment changes quick and easy. No tools required.
